DIRECTIONS

Read the entire label before using this product. Use only according to label instructions. Shake well before use. Attach to a hose of adequate length. Turn on water and then open the product spray valve when ready to apply. Spray entire yard area, focusing on areas that are of most concern. Spray enough to wet area and move quickly. Product can be used on lawns, bushes and trees. Avoid application to flowers and other pollinator friendly plants. Avoid application during high heat conditions. Apply in early morning or evening. Recommended application frequency every two weeks. For dry regions apply every 4 weeks.

Nix Ticks is a cedarwood oil yard control spray formula that kills ticks, mosquitoes and fleas on contact and can provide sustained repellent action. The product is safe for people, pets and the planet, when used as directed.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS. WARNING: Causes serious eye irritation. Avoid contact with the eyes. Avoid prolonged skin contact. Do not swallow. Wear protective eyewear when handling product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. Do not spray on pet reptiles, birds, rodents, ferrets or beneficial insects. Not intended for animal or human application.
ENVIRONMENTAL HAZARDS: Avoid spraying surface water as this product is not designed for aquatic use.

FIRST AID

IF IN EYES: Rinse thoroughly with plenty of water for several minutes. Remove contact lenses, if present. Continue rinsing. If eye irritation persists, get medical attention.

IF ON SKIN: Wash with plenty of water. If skin irritation occurs, get medical attention.

IF INGESTED: Do not induce vomiting. Call a physician or poison center for advice.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal. Store in original container in a cool, dry area away from children and pets.

CONTAINER DISPOSAL: Do not reuse empty container. If empty, offer for recycling if available or discard in a sanitary landfill.

PESTICIDE DISPOSAL: Dispose of contents or container in accordance with local regulations.

NOTICE TO BUYER

To the extent consistent with applicable law, seller warrants that this product conforms to the chemical description on the label and is reasonably fit for purposes stated on this label only when used in accordance with directions under normal use conditions. This warranty does not extend to use of this product contrary to label directions, or under abnormal use conditions, or under conditions not reasonably foreseeable to seller. Buyer assumes all risk of any such use. To the extent consistent with applicable law, seller makes no other warranties, either expressed or implied.

NIX TICKS

ALL YOU NEED IS A HOSE

- STEP 1

Shake well before use.
- STEP 2

Attach hose to sprayer.
- STEP 3

Spray areas of concern.

READ THE LABEL FIRST

FOR BEST RESULTS Apply second application after 7 days to reinforce your new pest barrier.

Nix Ticks is a cedarwood oil yard control spray formula that kills ticks, mosquitoes and fleas on contact and can provide sustained repellent action. The product is safe for people, pets and the planet, when used as directed.

DIRECTIONS FOR USE

Read the entire label before using this product. Use only according to label instructions. Apply in early morning or evening. Shake well and attach sprayer to the hose. Turn on water and open spray valve when ready to apply. Spray yard areas where ticks are of most concern, like lawn edges, shrubs, trees, and wooded areas near outdoor living space. Spray enough to wet areas and move quickly. Allow the sprayed areas to dry fully. Reapply 7 days after the first application, with application frequency every 2-4 weeks as needed. Avoid application to flowering plants and pollinators. Do not apply during high heat conditions.

FIRST AID

- IF IN EYES**

Rinse thoroughly with plenty of water for several minutes. Remove contact lenses, if present. Continue rinsing. If eye irritation persists, get medical attention.
- IF ON SKIN**

Wash with plenty of water. If skin irritation occurs, get medical attention.
- IF INGESTED**

Do not induce vomiting. Call a physician or poison center for advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. **For medical emergency information, you may call toll free 1-800-424-9300.**
